- Prepared and filed GST returns, ensuring compliance with tax regulations.
- Generated and submitted Income Tax Returns (ITR) accurately and within deadlines.
- Recorded basic accounting entries for financial transactions.
- Conducted timely bank reconciliations to ensure accurate financial records.

Projects

Automated Player Sorting and Team Assignment

Developed a **Python**-based application to automate player sorting and team assignment. This project significantly reduced manual processing time and improved the accuracy of player categorization. Leveraged the **Random module** to ensure randomization of players. Imported the player list from Excel using the **Pandas Library** for efficient data handling.

Education

Indira Gandhi National Open University (I.G.N.O.U.), Delhi

B.Com (General)

2020 - 2023

Vivekananda Kendra Vidyalaya, Golaghat

Sr. Secondary in Science (PCM/CS)

2016 - 2018

Certifications

[Python Certification from University of Michigan \(Coursera\)](#)

July 2024
